# AMENDMENT AND RESPONSE

Honorable Commissioner of Patents and Trademarks Washington, D.C. 20231

Sir:

In response to the Office Action dated December 31, 2002, please amend the above application as follows:

### **IN THE CLAIMS**

Please enter the following amended claims:

1. (Thrice Amended) A blend of a health component and a glyceride, wherein the health component is a mixture comprising ursolic acid and oleanolic acid in a weight ratio of 1:99 to 99:1, wherein the mixture is isolated from fruit skins and contains less than 20 wt % of the natural apolar and/or low molecular weight components present in natural extracts for ursolic acid and oleanolic acid which provide an off taste to said natural extract, and wherein the blend contains 1-99 wt % of one or more components selected from mono-, di- and triglycerides as the glyceride.

or principles
